THE LOWE DOWN!

Dear Club,

Ok, I can die a happy man. I've watched Danielle Maye evolve from a shy little model into a genuine world-class glamour star – and a naughty one to boot (she sells some pretty rude clips of herself online. I know, I've bought some!) – but those photos of her with Lexi Lowe might be my favourite ones of her yet. They just looked like they couldn't wait to tear into each other. Their obvious attraction to each other leapt from the pages and I'd have given my right nut to see what

happened after you turned the cameras off!
Matt, Derby

She's really something isn't she? As for Lexi, we met her in the flesh for the first time recently at the Erotica exhibition and she's one of the nicest girls we've ever dealt with. Put them together? Wow. They were well into each other as you say, and getting them to stay on the side of what we can legally show in the UK was a full-time job!

Dear Club,

I've never had a girlfriend with big tits before, but now I have I'm more than making up for it! When I met her a few weeks ago, I fancied her straight away as she has a really pretty, angelic face, but I didn't quite realise how big her chest was. In public, she tends to wear quite supportive bras and black tops, so as not to be too obvious about them. However, when I first went to stay at her house and she came back from the bathroom wearing just a silk dressing gown, they were there in all their glory!

As she walked towards me, I could see her cleavage jiggling through the gap in the material and I just stared at them intently. "So, you like big tits then?" she asked brazenly. Undoing the silk belt, the gown parted to show off her gorgeous tummy underneath them, which was flat but un-toned and therefore incredibly feminine. I was sitting on a stool at her breakfast bar, and as soon as she was close enough, my hands instinctively reached out for her chest. Taking handfuls of her tits, I began to knead them, feeling the brown nipples stiffen between my fingers. She let me indulge myself, and occupied her time undoing my trousers. Once my already rigid dick sprung from them, she lowered herself down. My shaft was now lost in her fleshy breasts, and pushing them together she gripped my dick between them.

She certainly knew how to use them, wanking me perfectly as I just stared in awe at the sight before me. I wanted to fuck them properly, so I lowered her onto her back on the carpet. Mounting her chest, I guided my length between them until the tip of my dick was pushing through against her chin. Extending her tongue as far as it would go, she managed to take my bell-end against it for a few strokes as I drove my cock between them.

Knowing I'd been selfish long enough, I went down on her, but still couldn't stop myself from reaching up and massaging them as I lapped at her pussy. I knew I had to get inside her, and I pushed the head of my aching dick into her sweet little cunt. I wanted her on top, and once I was deep inside I rolled her over until I was underneath. Placing her hands on my chest, she began to ride me hard, grinding her hips expertly in sensual, circular motions.

I was just lost in the moment, staring at her bouncing tits and straining upwards to

BATH BOMB!

Dear Club,

I tend to get obsessed with certain porn stars for a couple of years at a time. Like everyone else I was big on Jenna Jameson, then Inari Vachs, Alisha Klass, and others too numerous to mention. I'll watch all their movies, collect all their photo sets, any mag they're in. So I wanted to say thank you to *Club International* for publishing pictures of my favourite girl of the moment, Chanel Preston. And the decision to put her in the bath? Inspired! Despite her model looks, this is one very, very filthy girl and I imagine she has to take a lot of them!

Aaron, Camden

Ah, Inari Vachs! We'd forgotten about her – she was amazing. We can't fault you for liking Chanel either, she's one of today's top porn stars. Holly Randall works brilliantly with the finest adult actresses, so it was a marriage made in heaven!

bite at the nipples. She was about to cum, and the moment she did her body shuddered, falling forward onto me, covering my face in her heaving chest. This was just too much! My jizz raced through my shaft, flooding deep inside her as I cradled her soft bum in my arms, licking her boobs. My prick twitched at least ten times, squeezing out every drop that she'd produced in me!

I can't even begin to tell you how amazing it is when I fuck her doggy style and can grab hold of those breasts from behind! Even better when she rides me reverse cowgirl, and I hold her big tits and pull her back towards me. Like I said at the start, I'm making up for lost time!

She's a fox...

We know that fox-hunting is, apparently, banned. Apparently because that doesn't seem to stop the hoorays still doing it. And so we're not going to either, even if our kind of fox-hunting doesn't involve homoerotic tumbling through the undergrowth on horses. No, ours involves finding red hot ladies like Megan who you probably haven't seen before, teaming them with a world class photographer and then removing all clothes. Hers, not ours... ♣

The fast Lane...

Debutants don't come much more charming than Lane, who hails from the USA. She came over and shot at our very own studios and managed to disarm seasoned grumble mag staff by standing and chatting in her birthday suit for a long time after the shoot had finished. While most models are pulling on their Juicy Couture and jumping into their soft-tops to drive off the minute the shoot is done, Lane was happy to spend time making us squirm. The secret is in the eye contact – don't let her know that you're dying to look down at her tits and fanny. After all, we've got the photos for that... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

LIPSTICK ON YOUR COLLAR!

I know some girls hate their boyfriends talking about what they get up to in the bedroom, but I accept it is a fact of life and try and give him something interesting to tell his mates! I can tell by the way they look at me that they wish their girlfriends were as filthy as me, and I love the thought that some of them would love to fuck me. Phil loves it too, of course, as he has a girlfriend who'll try pretty much anything!

I love to surprise him, and the other week, he came in to find me sitting on the edge of the bed, my arms crossed, wearing nothing but a fake fur coat and a cowboy hat. He loves to watch, so he always gets his dick out first to wank off at the sight of me. When I opened my arms, allowing the coat to fall open, he saw that I was wearing crotchless knickers and no bra, and his fist began pumping away at his meat.

Sucking my fingers, I began to circle my nipples slowly and then tease him by closing the fur every so often. I then worked the palm of my hand down my chest, over my stomach and rested it above my pubes. Curling one finger forward, I touched my clit as he watched intently, no longer wanking so as not to cum too soon. I motioned with my eyes, as if to say, "Don't you want to get inside me?" and parted my legs. However, as he dropped down to his knees and got ready to insert his prick into my moistening cunt, I placed a hand on his chest to stop him and shook my head slowly.

Rolling over onto my front, so I was bent double over the side of the bed, I raised my bum in the air. Reaching behind me, I lifted up the bottom of the fur jacket to reveal the words 'In Here' written in lipstick just above the crack of my arse. "You horny bitch," was all he could say, before positioning the tip of his dick at my back entrance. I spat on my hand and, reaching around again, rolled it over the tip of his prick. Nudging his head into my anus slowly, I parted my own arse cheeks allowing him to feed his length up my chute.

When he was in as far as it could go, he pressed down on me, pulling his shaft out slowly before driving it back in steadily. "That's how I like it," I told him, as my sphincter relaxed further with each thrust. I have a tight bum, and I knew this was driving him crazy as he was panting silently and steadily. "Oh fuck, I'm going to cum," he suddenly announced, and pulled his dick slowly from inside me.

With his dick positioned just above my

“I parted my own arse cheeks, allowing him to feed his rock hard length up my chute”

arse, he shot his wad into my crack and on the small of my back where I had written his 'invitation'. Craning my neck around, I could see his cream splattered all over the lipstick, and I motioned for him to bring his dripping cock to my mouth. After cleaning him of his spunk with my tongue and taking it down my throat, I saw him look back to where he had sprayed the rest. I knew what he was thinking, and I couldn't wait for him to tell them!

Francesca, Plymouth

THAT'S WIFE!

I know for most people threesomes are like a Holy Grail, myself included. However, I'd only really thought about myself rolling around

in bed with a couple of women (sisters, preferably – predictable, I know!). Therefore I wasn't really prepared when a friend from work asked if I'd fuck his wife with him! This guy, Calvin, didn't just come straight out with it like that, but over a series of after-work drinks he hinted at the proposition before proposing it to me outright. It wasn't what I ideally had in mind, but I still thought, well, it looks good on the old sex 'CV'!

It was very staged when it actually happened, and not like anything I had experienced before. Arriving at their house, I was greeted by Samantha dressed in a gown that was soon parted to reveal suspenders and no knickers. Leading me into their

bedroom, it all seemed to be going very quickly, especially when I saw Calvin sitting there in his underwear.

I barely had my coat off before Samantha crawled onto the bed and undid her gown to reveal a body built for sex! She yanked down Calvin's boxers in a flash and, getting on all fours, began to lick up and down the side of his shaft, taking long strokes and saying, "Mmm... yes, this fucking cock tastes good!" I then caught Calvin's eye, who smiled before giving me a look as if to say, "Go on!"

She had Calvin's cock well inside her face and was slurping at it loudly and moaning with pleasure. I fingered her pussy before pulling it apart and slipping inside her. She instantly pushed back against me insatiably, wanking her husband's cock against her partially open mouth. I licked my finger and circled it around and into her bumhole. I was fucking her hard and she was nearly gagging on Calvin's dick as he fucked her mouth whilst kneeling up.

Samantha kind of patted her arse, before

pulling her cheek sideways. I knew what she wanted and obliged by slipping out of her pussy and nudging my hard-on against the entrance to her arse. Pushing gently, her muscles relaxed allowing me to ease into her anus. Her bumhole gripped me so tightly as I fed my dick into her that I could feel that I was ready to shoot my wad.

Still slurping at one cock whilst getting rammed hard in her behind, Samantha rubbed

at her clit so fast that I could feel it vibrate against my balls. She began to scream the house down, and Calvin pulled out, tossing off furiously, as I pulled her head back by her hair. I unloaded my jizz in a long stream, squirting deep into her arse. Her husband, meanwhile, was gripping his dick, causing the spunk to shoot into her mouth, against her cheeks and into her hair, as she strained her expectant tongue towards his penis. It

was without a doubt the filthiest and most satisfying sight I had ever seen, as she took all the cum we had. All I can say is, whatever your ideal fantasy, I can certainly recommend this one to anybody.

Mike, Sidcup

ANITA EATER!

I don't know if any of your female readers have experimented with other women after seeing the horny pictures in your magazine, but I had to write to tell you about what me and my friend got up to at the weekend. I've been friends with Lynne since I was about sixteen, and we've both been into porn since watching a couple of videos a few years ago with some lads we were seeing. We don't think of ourselves as bi-sexual, but we've always been able to masturbate in front of each other over the women in your mag, and we particularly enjoy girl on girl shoots. However, I don't know why things went quite so far recently, but I reckon they will do again.

Lynne was staying over at mine, and we always share a bed when she does. We were looking at some old issues together, feeling a bit hung over and horny. We both lingered

“It was so wet with our juice that it needed no lubrication and my sphincter relaxed”

over a shot of two girls with strap-ons and dildos. My hand was instantly between my legs, and I began to thumb my clit. “I could do with one of those inside me now,” Anita suddenly joked. Without taking my hand from my own pussy, I leaned over to the drawers next to the bed and pulled out a vibrator. “Will this do?” I asked.

Pulling the covers back, I watched as Anita slid the vibrator into her hole and teased herself with it, slipping it in slowly, and then all the way out again. She then drove it deep into her hungry cunt and lay back, tweaking her nipple as she fucked herself. As I frigged my own clit, my eyes were fixed on the silvery shaft that was now so deep inside that Anita was moaning more than I had ever seen before. I had to have some myself, and so I took her hand away, replacing it with mine. We'd never actually been with each other, but it somehow felt right for me to turn the vibrator on and begin to pump it into my friend. Anita didn't complain and worked at her own swollen clit as my rhythm increased.

I couldn't help myself from putting my face into her pussy and lapping at where her fingers had just been. “Oh Mandy, that's fucking fantastic,” she murmured encouragingly as I savoured the beautiful taste of my friend's juice. I then needed to get my whole mouth around it, so I removed the

vibe and began to French kiss her twat.

Pulling my arse around until we were in a sixty-nine position, Anita took hold of the buzzing vibrator and gently inserted it into my gaping hole. In gratitude, I dutifully tongued her clit, and rammed two fingers deep inside her. I then felt her moist fingers at my bumhole as she rubbed her saliva in my crack. “Do you want it in your arse?” she asked. “Oh yes, now,” I moaned. She positioned the smooth tip against my hole, and gently applied pressure until I felt it slide up my chute. It was so wet with both our juice that it needed no lubrication and my sphincter relaxed, allowing Anita to fuck my butt freely.

Her tongue was now at my cunt, and she began to breathe hard at it, signalling that she was ready to cum. I took her juice into my mouth, and feeling her orgasm made my pussy and bumhole widen, allowing her tongue and the vibrator to get even deeper. Now filling my pussy with her fingers, she slammed both holes until I could take no more, forcing me to scream my pleasure and throw my legs wider as I climaxed. I could feel myself crammed with her fingers and the vibrator, and I clenched and relaxed for what seemed like minutes. So, I'm writing to say thank you for inspiring us. It's just a shame you weren't there to get it on camera!

Mandy, Hartlepool ♠

The bum is back...

Ah fuck it, we just adore Mia Malkova. I mean, shit, look at her. Pretty as a picture, curvy, cute, with a bum you can rest a round on, never mind a pint, and she can do all kinds of bendy, acrobatty stuff as well. Yep, we reckon she's the perfect woman.

Normally this is when we discover that they're irredeemably shallow or horrible or hold foul right wing views. But no, she's sweet, caring, conscientious and probably rescues drowning kittens when she's not working towards a diplomatic outcome in the Syrian war. She's just fuckin' perfect. End of. ♣

WHAT'S SHE LIKE? Strong-minded

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Well, I'd like to be a model – and where better to start than in *Club*? I'm hoping some photographers will spot me, and I don't mind the idea of blokes getting hard over me!

THAT WILL DEFINITELY HAPPEN!

It had better! I'd be sad to think that no-one stroked their dick to little old me.

WE ALREADY HAVE, DON'T WORRY. SO, MODELLING OR SOMETHING ELSE?

We'll see. I might do a couple of movies to see if I enjoy that. One with a girl, one with a man. I might do my own website and do webchats. I'm highly sexed and it'd be great to make a living out of that.

DON'T FORGET WHERE YOU STARTED OUT...

Oh, I'm a very grateful girl. And if you want to see just how grateful I can be, maybe you should think about undoing that zip of yours right now... ♣

Tommie Jo dropped by the office, just to say hello to some old friends. She wasn't planning on being photographed. But she looked like this, so what could we do? We twisted her arm, invited her into the studio and, the next thing you know, a world class centrefold set is in the bag. Yup, Tommie Jo is that kind of girl.

"It's a good job I'd done my make up!" she giggles. "I was planning on having a chat and a coffee, not taking all my clothes off. I ended up having a blast and I love these photos. I guess I'll be dropping by more often!"

CHANGING ROOM!

My new girlfriend, Rachel, is the naughtiest girl I have ever known. She loves watching and reading porn, loves sexy underwear and there is nothing she won't do in the bedroom – or elsewhere. I'd never really had sex outside the bedroom before I met Rachel – maybe on the couch in the living room or on the dining room table if I was feeling adventurous, but I'd never done anything in public. Rachel loves to be daring in public and has dragged me into her little games, and when a beautiful naughty girl wants to have sex with you, it's hard to resist.

The last time it happened, we were shopping in a busy store on a Saturday afternoon. Rachel had picked out a very sexy dress which she really liked and which I wanted to see her in. We headed for the changing rooms where Rachel took one of the markers to say how many items she was trying on from the check-in girl. It was all very efficient and I was soon left standing around looking uncomfortable, although I had got used to waiting around for Rachel as she shopped and knew that the rewards were more than worth the inconvenience. It was particularly manic, so I didn't hear Rachel call the first time. I did the second time, and rolled my eyes at the girl checking in the clothes.

Rachel pulled back the curtain and my jaw dropped. "What do you think of this one?" she asked loudly.

"It's amazing," I said. She was standing completely naked with a very naughty look in her eye. I looked back at the girl checking in clothes but she was busy with something else. Rachel reached out and pulled me into the cubicle and kissed me hard. I pulled the curtain shut behind us as she rammed her tongue into my mouth.

"Get your clothes off," she whispered, and she was already tearing at my belt and jeans.

"I can't," I protested. "This is a ladies changing room."

"You fucking can," she said. "And you're not in here to try on clothes, you're in here to fuck me." I saw the determined and sex-hungry look in her eye and knew that I had to do it. "Socks too," she demanded, quietly.

When Rachel sets her mind to something, she sticks to it. She wanted us both completely naked for this. We kissed again and our naked bodies pressed together. My hands ran down her body until they reached her sexy little bottom. I held her cheeks in both hands and pulled them up and apart, admiring the view in the mirror. Her hands did the same to me and then reached round and squeezed my cock. I could have easily exploded right there and then, spurting my spunk all over her belly. Instead I reached round and slipped my fingers between her legs.

We were both trying to be quiet but Rachel gasped loudly as I ran my fingers along her slit and pushed them up inside her. "Shhhh!" I warned as little whimpers escaped her lips with my every movement.

"That's easy for you to say," Rachel smirked naughtily. "Let's see if you can keep quiet if I stick my finger inside you." She sat on the wooden slats, which brought her face level with my groin and pulled my cock down towards her mouth. One hand wrapped around my cock while she licked the tip of the other middle finger. She began kissing the tip of my cock and her lips felt amazing as she sucked and licked the most sensitive part of my glans. As she did this, her other hand dropped and started stroking my balls, gently pulling on them as they tightened within their protective sack. I moaned a little and pressed my hands against the thin walls of the changing room for support.

Her fingers ran under my ballsack until the tip of her middle finger was touching my anus. She looked up at me and smiled the dirtiest, naughtiest smile I've ever seen and she whispered, "Shhhh, remember?" and with that she pressed her finger into my bum. I almost came straight away – the penetration made everything tighten and it felt like I was about to orgasm but for some reason it didn't start. Rachel looked up innocently, gave me a sexy wink and then pushed in even deeper. I grunted loudly. I couldn't help it – the feeling was electric and I couldn't control the reaction, couldn't contain the sound.

Rachel smiled a satisfied smile, as though she had proved her point. She looked up

from underneath my cock as she kissed and licked along its length. It was hard to keep quiet, hard to remember that a simple curtain was all that was separating us from a busy set of changing rooms in a department store. My girlfriend had her finger in my arse and was giving me her best blowjob. She was trying to make me lose control, trying to force the sound from my body.

The next thing she did almost made me lose all of what little restraint I had left – she slid off the seat, pressed her pussy against my shin and dragged it all the way down my leg. She used my cock to muffle the moan of pleasure, but I knew it was there – I felt it in her throat. Rachel clung to my leg and humped it, her hips dancing, gyrating as she ground her pussy against my shin. She was doing things that I had never imagined, trying to shock me – humping me like a bitch in heat as she sank her mouth deeply onto my cock and fingered my arse.

My resolve was buckling almost as

“ **It was the most powerful orgasm ever and my spunk flew in thick white ribbons”**

fast as my legs. “Oh fuck!” I gasped, as I felt the slick wetness of my girlfriend’s pussy on my leg as her tongue ran little circles around the most sensitive part of my cock. I was close to orgasm and I knew that it was going to be an enormous release. Rachel’s whole body was pressing against me, her soft breasts slapping against my thigh as she brought herself off. My body tensed, every muscle pulling taut but at that moment, Rachel pulled back, fully exposing my saliva-covered cock.

“I’m going to make you cum all over my face,” she said, as she wanked my cock while aiming the tip at her pretty smile. The finger in my bottom curled forwards and something intense and wonderful spread from where she was pressing – only this time it didn’t stop. It was the most powerful orgasm I had ever experienced and my spunk flew in thick white ribbons.

“Is everything OK in there?” a small voice asked from outside the curtain. I was still spurting onto my girlfriend’s upturned face as the spunky smile turned into a grin.

“Yes thanks, we’ll be out in a second.” I looked across and saw a face peering in through the gap in the curtains. I

recognised her as the shop girl. She wasn’t looking at me, well not my face anyway. “You really need to learn to keep quiet,” Rachel scolded as she squeezed the last of the cum out of my cock. “Everyone in the changing rooms must have heard you.”

Rachel cleaned herself up and we got dressed. I prepared myself for the walk of shame... or possibly a walk to the nearest security office. However, Rachel had other ideas – she was all smiles and bouncy happiness. Rather than try and slink out, I watched in amazement as she walked out with her head held high. She stopped at the check in desk and addressed the girl who had now seen us both naked. “He really likes it, I think I’ll take two.”

“Yes madam,” she said, looking over at me, as though doubting what she knew she had seen in the cubicle, before ringing through for someone to collect another dress. When Rachel wants something, she tends to get it – she’s that kind of girl.

RAUNCHY REUNITING!

Facebook has been great fun recently, and as I live near London I have been able to meet up with a lot of my old school friends who are working there, with varying degrees of success I may add! I was pretty nervous

before my latest arrangement, however, as it was an old boyfriend that I had been with in my fifth year and most of the sixth form. Unbelievably, we had never actually had full sex as I was quite prim and proper then, and I'm sure his frustration partly led to our break-up.

I made a real effort with my appearance, and when I saw him in the bar at Kings Cross station, it was like being transported back in time. He had hardly changed in the seven years I hadn't seen him, and was certainly better dressed. As we greeted each other, it somehow seemed natural to kiss each other on the lips, and the familiarity of his smell sent a shiver of excitement through me. As we talked it was clear that there was unresolved sexual tension, and the conversation became increasingly more naughty. "So, I presume you're not still a virgin?" he mischievously asked. "What do you think?" I coyly replied as we sat as close to each other as possible.

The next hour passed in a flash, as our flirting led to touching, kissing and arriving at the lobby of an over-priced hotel, getting a room. We were both a little nervous, and my adrenaline was pumping as we lay on the bed snogging. He undid my blouse and clawed my bra-strap to the side, before clamping his

“ I could hear him moan his appreciation as I licked his shaft and sucked his aching balls ”

mouth around my erect nipple. I instinctively reached into his trousers and grasped his hard-on, which felt so familiar I gasped with a mixture of excitement and contentment. As he chewed at my nipples, I was wanking his prick awkwardly within his trousers; something I had done plenty of at the age of 16!

He helped me free his penis, and I slid down the bed, gaining eye-contact with him as I moved. I could sense his surprise as he had never received a blowjob from me. Taking him in my mouth was wonderful, as I could hear him moan his appreciation whilst I licked his shaft and sucked at his aching balls. He was running his fingers gently through my hair as I took almost the full length of his meat into my face.

My own pussy was aching, and it wasn't long before I had reversed my head's position on his cock whilst I ground my cunt against his lashing tongue. I wrapped my fist around his dick and tossed it off into my mouth as he was chewing at my clit, which was sending me wild! I could feel his splayed fingers parting me as he French-kissed my pussy. As his fingers slipped inside me, I gasped, "No... I need your fucking cock, now!" He had

never heard me speak like that, and all he could say was, "I really want to," in a grateful tone. I pushed him flat on his back, and slid further down towards his ankles.

Bending over for better access, I mounted him reverse cowgirl style and began to grind back against him, peering back over my shoulder as I did. He responded by reaching around for my pelvis and pulling my pussy deeper over his shaft. He desperately groped for my bouncing tits, and stroked my back and slapped my arse whilst I rhythmically worked my sopping cunt over him. Spreading my legs wider, I leaned forward, grabbing his shins as I banged him, feeling his pubes against my arse. "This is what you fucking want!" I was maniacally shouting as I let my juice spray over his shaft, climaxing heavily. With my breathing shortening I could feel his spunk fill my pussy as he emptied his balls. It was amazing to feel us both cumming together and it seemed to last for minutes! Needless to say, the rest of the afternoon was spent with his cock in my twat, my mouth and eventually my arse. Well, I wasn't prim and proper anymore, and we certainly had to make up for lost time, didn't we?

BREAST FOOT FORWARD!

I have always felt bi-sexual, but have mostly had men throughout my life, and only a few flings with women. I'm not really interested in the lesbian scene, so your magazine is one way I can indulge my love for seeing beautiful women. As soon as I get it, I always flick

snatch. She had a sweet tasting pussy, and I stayed there ages, probing and fucking her hole with my tongue and alternately thumbing and licking her clit.

"Have you got something to fuck me with?" she abruptly asked, and after a couple of minutes I returned from my en-suite, naked,

through for any girl-on-girl shoots. Some of your models are incredible and I have recently become increasingly turned on by the sight of their manicured toes and cute feet. Then when another girl's mouth nears this area, my fingers instinctively work faster at my clit. I'm sure your male readers love to see this as well, so I just had to share this with you.

wearing a strap-on. I raised her right leg, as she laid back, her arse still on the edge of the bed. I undid her sandal and dragged my tongue against the sole of her foot, and then squeezed it between her two larger toes. I then took her big toe into my mouth, licking and sucking it like it was a dick. The rubbery prick, strapped around me, just rested

"I then took her big toe into my mouth, licking and sucking it like it was a hard dick"

My most recent experiences with men had been a series of 10 minute fucks, so I needed some intimate female loving. I knew that Angela on my floor at work was well known as a bit of a swinger and spent the best part of a week chatting her up and making suggestive comments. Eventually on Friday she was very brazen, and openly asked me, "Do you want to be with me tonight?"

Within minutes we were out of there, Angela on the phone to her husband casually announcing that she wouldn't be home. As soon as we were inside the door of my place, Angela had taken off her jacket and was unbuttoning her blouse. She then sat on the edge of my bed, with her luscious breasts filling her bra, exposed through her open blouse. My eyes were drawn down to her feet, the toenails painted pink, at the front of her strappy-heeled sandals.

I'm not sure what came over me, but I got on my knees, and began to kiss at her small feet. I then worked my tongue up her leg, but found myself wanting to return to them. She pulled my head up and parted her legs, showing me where she wanted my tongue, and pulling her panties to one side I extended my tongue and flicked at her clit to tease her. She wanted me straightaway and took the back of my head, pushing my face into her

against her entrance and she was panting in anticipation. I began taking every toe against my tongue, one after another, until I had both feet in my hands, totally lost in the moment as she writhed in ecstasy on the bed.

She had waited long enough, and I drove the length inside her, still with one leg up in the air, that I was cradling and licking at the ankle. From this position I could really fuck her hard, whilst she was lost in her own world, moaning in a low tone, telling me how 'good' it was and strumming her own clit. "I'm cumming," she virtually screamed at me and taking her right foot in both hands I took nearly all of it in my mouth, my own pussy now soaking as the shaft of the strap-on became slick with her juices. I came myself, and my pussy hadn't even been touched yet!

"You've got a bit of a foot fetish, right?" Angela asked after recovering, to which I answered with a shrug and a smile. "Well, let's see," she said, before pushing me back on the bed. However, with my big toe in her mouth and her three fingers in my cunt, I could barely last two minutes before moaning in ecstasy. From now on anyone who gets with me, whether it's a man or woman, is shown exactly which part of the body to go to first!

Afternoon pool...

For sexy Natalia, 21, sex isn't about what you do, it's about when you do it.

"That's right," the Nebraskan reveals, "I'm not the kind of girl who likes to have sex at bedtime just before we turn the lights out."

Don't knock it. What floats her boat?

"Me, I'm more of a lazy afternoon type of girl. Those afternoons that are drifting away aimlessly. That's a great time to fuck. You can take your time, really pleasure each other slowly but surely. Night time sex is more intense, nastier, quicker. Give me the afternoon any time..."

Right, we'll be round just after *Pebble Mill*... ♣

HOLLY ♣

Snow ho ho...

Two girls called Holly in one issue? Why the hell not! We think you've got to doff your cap to this Holly for services to being nude in the outdoors. It must be fucking freezing in that snow, but she looks as happy as a polar bear.

"I love sex outside, whether it's warm or cold," she giggles. "In fact, as it's cold, I'm really going to enjoy warming up with a quick fuck up against a tree."

You won't be saying that when we ask you to drop to your knees for 30 minutes. You'll get frostbite.

"Well, it has to be give and take in conditions like this," she says expertly. "You have to get in and out quick, or start here and then retire to somewhere with a roaring fire for a leisurely fuck!" ♣

LENA ♣

Back for the first time...

It's Lena Nicole's second appearance in *Club*, but with over a year between photo sets, she thought she'd done something to offend us.

"The photos of me were pretty nice, I thought," the Cali cutie says. "And then nothing. Did you not like them? Did the readers complain?"

Of course not. It's just

that there are so many girls, and so few pages. And, you know, no-one actually sent us any more photos of you.

"You could have asked for some! Isn't that what you guys do?"

Sometimes. We feel bad now. Maybe it's shame because of what we did to ourselves with those first pictures... ♣
